### **Overview of First Year Experiences @ Virginia Tech**

#### **FYE Programmatic Learning Outcomes:**

- **Problem Solving**- the ability to design, evaluate, and implement a strategy or strategies to answer an open-ended question or achieve a desired goal.
- **Inquiry**- the ability to explore issues or topics through the ethical and responsible collection analysis and use of information as evidence that results in informed conclusions/judgments.
- **Integration of Learning**- the ability and disposition to make connections between ideas and experiences, and apply them to new learning situations within and beyond campus.

#### **FYE Programmatic Goals:**

- **Advising & Mentoring**
- **Campus Community**
- **Diversity & Inclusion**
- **Ethical Use of Information**
- **Effective Teaching & Learning Practice**

### **Eligibility**

Academic units (departments, schools, colleges) are eligible to apply for FYE funding. College level knowledge of proposal submission will be demonstrated with signature of Associate Dean responsible for undergraduate student programs.

### **Funding**

Funding for approved courses is to the college, school or academic department for fiscal and administrative oversight and must be used consistently with University and State policies. Examples of appropriate use of funds include, but may not be limited to, peer mentor/UTA support, GA support, Course Buyout, Summer Stipend, Professional Travel, Course Materials, Student Activities.

### **FYE Expectations**

#### **Funded FYE courses are expected to:**

- integrate one of the learning outcomes of problem solving, inquiry, and integration of learning;
- demonstrate teaching and learning practice that support the FYE programmatic goals of: Advising & Mentoring, Campus Community, Diversity & Inclusion, Ethical Use of Information and Good Teaching & Learning Practice;

- partner with the University Libraries;
- utilize and/or partner with campus resources outside the academic unit (e.g. Student Success Center, Career Services, VT Engage, Intercultural Engagement Center, Undergraduate Honor System);
- integrate the university's common book

**FYE Faculty Members are expected to:**

- participate in ongoing FYE training and workshops;
- participate in ongoing programmatic assessment efforts.

**Programmatic Assessment Components**

- FYE Student Survey- faculty role to administer online survey
- FYE Administrative Unit Survey- faculty role to complete one online survey per course
- Finalized Course Syllabus submission- First Week of Classes
- Assignment Guideline submission- First Week of Classes

**Application Organization**

Proposals should be organized using the following guidelines.

- I. Cover Sheet:**  
Complete cover sheet with all required signatures
  
- II. Course Syllabus: Tentative Syllabus (final syllabus due first week of course)**  
Articulate FYE course requirements
  
- III. Proposal Narrative:** Review proposal narrative from previous year prior to submission of continuing course proposal. Within the updated continuing course proposal narrative highlight any changes made to assignments and/or course activities to communicate continuous improvement. Additionally, highlight the successful components that demonstrate sustained effectiveness. Competitive continuing course proposals demonstrate sustained effectiveness and/or continuous improvement.
  - I. FYE Programmatic Learning Outcomes Supporting Documentation (~100-200 words)**  
Provide a narrative that briefly describes how the selected FYE programmatic learning outcome of focus for your course will be met and assessed at the course level. This section is discipline/major specific and should incorporate an assignment that supports good teaching practices in first year curricula.
  
  - II. FYE Programmatic Goals Supporting Documentation (~500-1,000 words)**  
Provide a narrative that describes how the FYE programmatic goals will be met at the course level. Indicate each goal separately using italicized headers.
